

IT Support for Businesses

Uthanda offers tailored IT support packages for businesses. Your businesses IT Support package will be tailored to suit your requirements.

Why our IT Support offering is different:

- Flat Rate IT Support - a support package tailored to the needs of your business.
- Remote network monitoring and remote IT Support to maintain your network 24 x 7 x 365.
- Afterhours IT support at no extra cost to make sure your small business systems run smoothly.
- Pro-active IT Support - reducing the need for costly reactions after problems occur.
- Vendor Management - we become the single point of contact for all your IT related vendor issues.

Contact us now for a no obligation assessment. Please email us at sales@uthanda.co.za or give Colin a call on 072 662 4365.
